Day 2 | Bangkok

[B]

Breakfast

Thana City Country Club, located just 25 minutes from central Bangkok, is one of only a handful of golf courses in South-East Asia designed by former world number one Greg Norman. The course benefitted from a complete redevelopment and rebranding in 2018. It is conveniently located just 25 minutes from central Bangkok, immediately to the south of Suvarnabhumi Airport. The 7,008 yard, par 72 course is set in beautifully landscaped surroundings and features fast greens, strategically placed bunkers as well as natural lakes and streams. Excellent drainage allows for play throughout the year. The facilities are comprehensive and second to none. Additional facilities include a world-class driving range, putting green, a short-game practice area and a golf academy recognized as one of Thailand's best golf training centres. The lifestyle amenities are similarly top-drawer and include a luxurious clubhouse containing excellent food and beverage outlets to accommodate every need.

Afternoon at leisure

Overnight at Grand Mercure Atrium Bangkok.

Day 3 | Bangkok

[B]

Breakfast

Muang Kaew is a true golfing oasis close to the skyscrapers of Bangkok. The course's excellent location south of Suvarnabhumi Airport make it a perfect choice for golfers wanting to play, but who are short on time. Redesigned by Schmidt -Curley, Muang Kaew has excellent year-round conditions. The course boasts well-guarded greens, some elevated, with large side catchment areas – a unique design aspect rarely seen on the predominantly flattish Bangkok courses. The clubhouse restaurant serves up some excellent dishes and the pro shop has a wide selection of apparel at competitive prices. The caddies are experienced and they will make a great day even better. Muang Kaew is also very well maintained and this makes for a fine day's golfing for those with little time on their hands.

Day 4 | Bangkok

[B]

Breakfast

Situated near the cooling breezes of the Gulf of Thailand, south-east of Bangkok, the luxury Thai Country Club has been developed as one of the finest golf clubs in Asia. It opened to the golfing world in December 1996 and has been designed to US Golf Association specifications by Dennis Griffiths, the former president of the American Society of Golf Course Architects. The design adapts from everyday casual play up to a very tough challenge so players will raise their game and get out of their comfort zone. The 7,097-yards course was first seriously tested during the 1997 Asian Honda Classic, won by Tiger Woods. This picturesque course is renowned for its immaculate conditions and its variety of holes, along with an abundance of water features, as well as idyllic fauna and flora.
